

PANGOLIN™ -RF Rope Defender

Reflective Rope Defender Guard

1 Water-Repellent,
Quick-Drying

2 The bright colors and 3M
reflective strip ensure great
visibility, even at night

3 Wear replacement
warning layer

4 CORDURA® fabric high
wear resistance

High Wear Resistance:

Endures over 50,000 abrasion cycles (Orange Fabric) and ≥100,000 cycles (Black Fabric), according to ISO standards.

Lightweight Design:

Weighs just 355 grams, ensuring easy handling and transportation.

Water Resistant:

The CORDURA® fabric provides water resistance.

Dual-Surface Functionality:

Smooth Fabric Side: Allows for unobstructed rope movement. Friction Fabric Side: Provides improved grip to prevent slippage.

Visibility and Safety:

Features bright colors and a 3M reflective Strip to ensure high visibility in low light conditions.
